

As a VFW member, you and your family have access to comprehensive hearing care through TruHearing®. TruHearing provides best-in-class service and high-quality hearing aids at 30-60% off average retail pricing. You also have access to a network of over 7,000 qualified providers—ensuring 85% of members live within 10 miles of a provider.

Call TruHearing today

1-866-202-2876

To get the best possible care and take advantage of your hearing program, all appointments must be scheduled through TruHearing.

Why TruHearing?

Affordable pricing

Your hearing aid program through the VFW secures the best value for the highest-quality hearing aids and newest technology from all major manufacturers.

Dedicated Hearing Consultant

A TruHearing Hearing Consultant will work with you to answer your questions, find a qualified provider near you, and schedule your appointment—usually within two weeks.

Comprehensive care

A skilled hearing care professional from TruHearing's national network of providers will work with you to determine the best approach to addressing your hearing loss.
